Gentlemen,

I believe you guys have been housing this federal inmate at Santa Ana Jail for a while now. He will be witness in an upcoming trial on November 14 and I need to collect impeachment evidence on him. That includes any disciplinary infractions while he is in custody. I got the BOP's records, but they do not include the time when he was with you and I am specifically aware of at least one disciplinary incident of him in possession of an unauthorized substance while he was with you-all.

Is there some way I can get his disciplinary history from you-all so that I can disclose it to the defense and hopefully reach a stipulation about which, if any facts, would be admissible, which would also obviate the need for the government or defense to subpoena any of this information.

Thanks,

--Shawn.

Mr. Jiron,

Defendant did not plead guilty today, so we are still moving toward trial on November 14. Attached is a subpoena for the disciplinary records for inmate M [REDACTED] L [REDACTED].

Although it is a trial subpoena, you can avoid appearing by producing the documents ahead of trial. Please call me if you have any questions.

Mr. Jiron,

Defendant did not plead guilty today, so we are still moving toward trial on November 14. Attached is a subpoena for the disciplinary records for inmate M [REDACTED] L [REDACTED].

Although it is a trial subpoena, you can avoid appearing by producing the documents ahead of trial. Please call me if you have any questions.

Thanks,

--Shawn.

Gentlemen,

I believe you guys have been housing this federal inmate at Santa Ana Jail for a while now. He will be witness in an upcoming trial on November 14 and I need to collect impeachment evidence on him. That includes any disciplinary infractions while he is in custody. I got the BOP's records, but they do not include the time when he was with you and I am specifically aware of at least one disciplinary incident of him in possession of an unauthorized substance while he was with you-all.

Is there some way I can get his disciplinary history from you-all so that I can disclose it to the defense and hopefully reach a stipulation about which, if any facts, would be admissible, which would also obviate the need for the government or defense to subpoena any of this information.

Thanks,

--Shawn.
